

MATT CZUCHRY
 "Who's Hot in Hollywood"
 Appeared in USA WEEKEND
 June 1, 2012

Reading is one of British actor **David Morrissey's** passions, and it's how he found his newest project, the cop drama *Thorne*. Based on Mark Billingham's novels, the series premieres June 12 on Encore. Morrissey met quite a few "coppers" doing research. "Policemen always say two things about television drama: You never see enough paperwork, and the police stations are far too tidy," Morrissey says.

The Good Wife's **Matt Czuchry** is teaming with his brother Mike, a psychology professor, for the book *Brothers on Life*. "When we were growing up, I was on the top bunk and Mike was on the bottom," Czuchry says, "and we used to tell stories to each other. This book is a new avenue to tell stories." Czuchry's ideal "good wife"? "Someone who is thoughtful and caring and patient."

Good Wife's Matt Czuchry is also a good storyteller.
