ONE LAST THING

LAST GIFT I RECEIVED

I'm from the South [Tennessee], so I love bourbon. My mom and dad bought me a bottle of Pappy Van Winkle's, which is really hard to find. If I don't have to work the next day, I just sit back and reflect on the day with a [glass of] bourbon.

LAST THING I SPLURGED ON

I just bought an Xbox One. I felt like a little kid this past week playing it because I loved video games as a kid. [Now] it's a way for me to connect with my friends who are all over the world.

LAST CONCERT I ATTENDED

Dave Matthews Band at Jones Beach [N.Y.]. Just seeing him and his band come out gets me starstruck every time. I've probably seen them about 22 times.

LAST INJURY I HAD

I injured my pinkie finger playing basketball and tore my tendon. I had to actually rehabilitate it picking up pieces of rice. I had a little brace on my finger, and it was pretty painful!

LAST GROOMING INDULGENCE

While I was in London, I got my first-ever straight-razor experience. It was my first in 36 years and probably my last, because it's a whole big process. I definitely felt pampered and slightly British when I came out.
