

RULES OF ATTRACTION

MATT CZUCHRY, *THE GOOD WIFE*

Who are your generation's style setters?

Brad Pitt and George Clooney. I love the class and elegance they exude. Each time they step into the spotlight, they resurrect the imagery of our classic movie stars such as Cary Grant and William Holden.

How do you define style? For me, style is defined by having the confidence to be true to yourself in everything you wear and do.

The ingredients for style: Great fabrics with a slim cut and, most importantly, bringing your own soul to the moment.

How do you achieve great personal style? Life experiences breed confidence. Confidence breeds style.
